The Format

Consider - will the debate be used as a tool in the learning and research process or as an evaluation event in the learning process that took place.

Feedback

How are you going to conduct the feedback on the students' claims? Think about the criteria and method of giving/receiving feedback.

(You can use this tool - [Debate: Evaluation by a Teacher or Student Observer](#))

After thinking about the topic, question, format and feedback, describe the entire learning process:
