

1
Familiarize
yourself with the learning platform, and make sure you can use it by yourself.

2
Allocate
a specific time for self directed pre-lesson learning.

3
Share
any questions or challenges relating to self directed learning or use of platforms with the teacher and/or peers.

Flipped classroom

4
Complete
all pre-classroom learning activities before the classroom lesson begins.

5
Ready
for class?
Your new knowledge will help you actively participate!

6
Express
any feedback in class, to continue to actively improve flipped learning.
