

**Dear Teachers:**

We invite you to have your students join UnitEd's "Tree of Wishes" project.

## About the project:

---

**Project**

**Before Tu B'Shvat, we will set up the "Tree of Wishes" for children worldwide in Hostage Square located in Tel Aviv.**

- In Israel, Hostage Square has become a symbol of the war. At Hostage Square, we remember all those who were kidnapped to Gaza. We pray for their return and ask people worldwide to think about them and join efforts for their safe return.
- There are various displays and exhibitions at Hostage Square. Family members and friends of the hostages assemble there. Many people come to see, talk, encourage, express hope, sing, and simply keep in mind the hostages in order that until they return, we will not forget a single one of them.
- We invite students to prepare one wish for the hostages or for our soldiers who fight for all of us against our enemies who seek to harm us.

**The Wish**

- The wish can be written, drawn, or even photographed. The desired paper size is Letter or A5.
- Each child should write their first name, age, school, and the country they reside.
- The wishes will be printed and hung on the "Tree of Wishes" that will be added to the special displays in Hostage Square. Printable cards for distribution to the students are attached for your convenience.

**Contact:**

Please email student 'wishes' no later than January 21, 2024 to: [info.united@herzog.ac.il](mailto:info.united@herzog.ac.il)  
Or send a photo via WhatsApp to: Scot A Berman +9720555001822  
or Sari Mayer +972525665462
